PUBLIC NEEDS COMMITTEE PLANS $600,000 TO $700,000 POLICE/FIRE FACILITY

Mr. Harold Roeder, chairman of the Public Building Needs Committee, and members of that committee met with Chairman William Hubbard and John DeCosta of the Mattapoisett Board of Selectmen, to report on their activities to the present. Mr. Roeder asked the Selectmen, "How far do we go?" He said that after consultation with the Police Chief and Fire Chief, preliminary sketches had been drawn of a combined police and fire facility 235 feet long by 90 feet deep to be located on a six acre lot. Mr. Roeder said that 2 plots had been approved by the underwriter and he had drawings and layout of the land. Mr. Roeder said that he would lay the whole building plan out to scale from the preliminary sketch as approved by both chiefs.

As he described the sketch, the building would be divided into 2 sections of 60 feet width, one of the police department and the other fire department. The remaining section would be ambulance garage with no basement under that portion.

The Police Department basement would include a shooting range, maintenance room, furnace room, juvenile detention room, 2 showers, dark room, lavatory and storage space. The main floor would contain the ambulance, a crib for stolen articles, shop, linen and medical supply storage for the ambulance. There would be a front desk, detectives' room, sergeants room, sergeants' offices, lieutenants' office, chief's office, public toilet, common room for coffee etc., police toilet, shower and interrogation room. Space upstairs is unplanned.

The Fire Department, he explained, would contain a basement hose rack, shop and lockers. The first floor would have a chief's office, common room for coffee etc., a table to serve meals, a TV room, a secretary's office, a deputy's office, a fire prevention clerk's office, 2 toilets for the public and a counter. Upstairs, he continued, would be a pole for sliding to the main floor, an engineer's office, file cabinets, chief's office, showers and toilets, beds for the personnel, assembly room and storage area.

Mr. Roeder said that a preliminary estimate of the cost is in the $600,000 to $700,000 range. He inquired as to the steps now to be taken. Chairman Hubbard suggested that Mr. Roeder begin to interview architects

and narrow the candidates down to 2 or 3 firms so that the Selectmen could make the choice from that number. Mr. Hubbard asked that land information and drawings be left with the Selectmen so that they can consult Town Counsel with this information in hand.

WHARF DAMAGE ESTIMATED

The Board of Selectmen received an estimate from the engineering firm of Tighe & Bond for repair to the bathing beach wharf of $35,000. The Selectmen had sought the engineers' estimate because of the extensive damage. Earlier, Highway Surveyor Manuel Nunes had submitted an estimate of $34,000.

RESIGNED

Robert W. Souza submitted a letter of resignation from the police force because he had a chance to better himself in another occupation. The Board accepted with thanks for Souza's service and with the highest regard for a pleasant association while Souza was on the force.

DEPLORES CONDITION OF NED'S POINT

Henry Dunseith of North Street wrote to Selectmen complaining about the condition of Veterans' Memorial Park. According to Mr. Dunseith, the great piles of dirt and stone make it impossible to see the ocean and the condition of the road makes it inconvenient to comply with one way traffic signs. He demanded to know who was responsible for allowing these conditions.

Chairman Hubbard noted that the park parking lot was being used to dump dirt from the sewer project under permission of the Board of Selectmen. He said the deadline for this permission was Memorial Day after which Manuel Nunes, Highway Surveyor, will use the fill to repair the parking lot.

TREE DAMAGE REPORTED

Tree Warden Wesley Bowman reported to the Board of Selectmen that 9 trees were damaged

on Mechanic Street in the one block between Water and Church Streets in the Bay Corporation's digging of the sewer trench. Chairman Hubbard noted that the Board of Selectmen has no control over the situation until damage is done and then the Bay Corp. is required to fix the damage. He said that Tighe & Bond has detailed photos of the streets before the work so that comparisons can show what damage has been accomplished. He said that the contractor has insurance to cover the town for such damage in any eventuality.

POLICE BROTHERHOOD WILL APPEAL

Robert Moore, vice president of the Police Brotherhood, has notified Selectmen by letter that the Brotherhood intends to appeal the denial of its grievance concerning rates paid for detail work on the sewer project. This grievance was brought May 14 when Town Counsel and Selectmen pointed out that the Federal E.P.A. contract specified that police on the project are working for the town and not for the third party contractor.

PLYMOUTH HOME OFFERS TREES

Selectmen received a letter from Plymouth-Home National Bank Vice President Thomas I. Chew advising that Mattapoisett will be presented with 10 flowering trees in appreciation and recognition of the town's contribution to the bank. This gift is in celebration of the bank's 175th anniversary. Chairman William Hubbard expressed the board's gratification over the offer and said that decision will be made over the proper location for planting soon. Selectman DeCosta suggested that one of the trees be planted on the island near St. Anthony's Church.

WHARF PARKING CHARGES

Selectmen noted that parking fees will be charged at the town wharf beginning Memorial Day for all cars not having privilege stickers.

NEST BAR CHANGE

Selectmen approved the request of the manager, Tom Settipane, of the Nest Inc. to allow the renovation of the area of that establishment known as the Pizza Pub to be used as a bar for the Nest. The present bar will be relocated in the Pizza Pub which has been closed to the serving of food and liquor since a decision of June 22, 1977 by the Board of Selectmen to revoke "permanently the license to serve alcoholic beverages in the Pizza Pub subject to application of the licensee for use of the premises after remodeling".

The Nest management will submit plans for the proposed change to the Building Inspector.

Apology

TO WESLEY BOWMAN
Editorial Comment

Many people mistook my remarks of last week concerning the damage to the trees as a personal criticism of our Tree Warden, Wesley Bowman. Nothing could have been further from my mind. Mr. Bowman is a hard working man who does an excellent public service for the town part time and he is more concerned about the trees than any individual in Mattapoisett.

Please let me make myself clear as I apologize to Mr. Bowman. My remarks were solely a cry of anguish because it has taken us more than 3/4 of a lifetime to grow trees since the town was first devastated by the 1938 hurricane.

My sole purpose was to focus attention upon a careless disregard of a town treasure in the hope that our collective outrage would generate some regard for our heritage of beauty that is not replaceable in one generation or even two.

Since it has taken forty years to restore them it seems to me that we should have the rest of our lives to enjoy them

Notice TO OUR READERS

We'd like to believe that the Presto is unique in the modern United States. For 25 years, this paper has been sent to you faithfully every week free of charge. It's a community effort probably without parallel. Much of our news is written by volunteers who bring it in for publication. Many of our photos are donated generously as well. We have never asked our readers for help in a quarter of a century but we need it now. We ask your help. The campaign against advertising mail has been waged and won. The cost of postage is now so intolerable that this volume mail will disappear. The public cost will be high. Already the loss of this volume advertising mail (termed junk mail for the purpose of elimination) has directly resulted in the soaring cost of first and second class mail and this is only the beginning. Parcel Post is now priced beyond all reason. Soon magazines and newspapers will have to increase drastically in price to pay the exhorbitant mail cost.

We must change our method of reaching you

DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that **we have decided to install a direct, toll-free "'Hot Line"** for these customers. We have **our plumber, Chet, who is a local resident** and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

We take good care of our old customers; it is new customers we are looking for.

Janet worked on two projects to complete her work this year. In the first, the "Challenge of International Understanding", Janet helped host 4 French exchange students, completed 3 years of study in the French language, read and reported on the history of France and made initial plans to visit the country of her ancestors next summer.

The second large undertaking, "The Challenge of the Arts", found Janet working just as diligently. She played the trumpet in the school band at Old Rochester Regional, became a member of the town band, managed business for the school drama club, and worked on the musical, Anything Goes.

Daughter of Mr. and Mrs. Conrad Bernier, Janet is a sophomore at Old Rochester Regional High School.

troop went to see the production of Anything Goes at ORR, 8 girls took a ten-week course in cake decorating, the troop took a course in rollerskating at Lincoln Park and five girls participated in a 5-week candy making course at the Rochester Woman's Club.

Future plans of the troop are: primitive camping the first week in June, march in the Memorial Day Parade, a Girl Scout Picnic June 11 and a trip to the historic waterfront in New Bedford with the Brownies.

At the Troop 165 Court of Awards Scouts earned 235 badges between 25 girls; 9 scouts bridged to become Cadettes, 9 girls earned sign of the star, 6 girls achieved sign of the arrow. The troop entertained with a skit, Pinocchio and friends.

Brownie Troop 177, Beverly Mello, leader, enrolled 31 Brownies and 13 girls bridged to Juniors. Activities of the year included an outdoor day, parties with Juniors, 10 week roller skating classes with Juniors, historic waterfront with Juniors, entertained by singing songs learned in the troop.

Cadette Senior Troop 31, Judy Bernier, leader, had as their year's activities the following: outdoor day at Greenbriar, aluminum can collection, Christmas Bazaar, International Dinner, trip to Council Office, 5 week course in candy making, toured the SMU Textile Department. Future plans include a trip to Nantucket in August.

The troop entertained at Awards Night with dancing to tunes from "Saturday Night Fever" and a solo by Senior Janet Bernier on the trumpet, "Concerto in B". Janet Bernier received the first class award, three five-year pins were awarded and four girls bridged to Senior Scouting.

Letter to the Editor

OUR SINCERE GRATITUDE

To Susan Drake, our visiting nurse, The Mattapoisett Police, and our ambulance crew:

I believe their prompt efficient action saved the life of my wife Phyllis.

Phyllis was taken ill Monday afternoon. Susan diagnosed it to be a heart attack. She notified the police and in a matter of minutes they were here. Confirming Susan's findings they had the ambulance crew transport Mrs. Closson to St. Luke's. All this took place in a matter of minutes.

Mrs. Closson, myself, my family and friends can only say thank you very very much.

Merrill Closson

COMMENDS ORR SCHOOL COMMITTEE

On Tuesday and Wednesday evenings last week, I was present at a most remarkable proceeding which enlightened and encouraged me. I refer to the open meetings which the Old Rochester Regional School Committee and the Superintendency Union 55 School Committee held to interview candidates for the job of superintendent. If there are any residents of the tri-town area who are un-

aware of, or unhappy with, the job their school committee people are doing, it's a crying shame they missed this singular opportunity to observe their representatives in action.

The four candidates whom the Search and Screening Committee presented to the assembled group were all eminently qualified. The thoughtful questions asked by the various committee members elicited responses which were interesting and revealing. When the choice was finally made, it was made in the most objective manner possible; and I think the result is exciting.

We all have a tendency to contact our school committee members only when we have a problem or complaint. I would like to take this opportunity to publicly acknowledge their effort on behalf of their communities in finding us a new superintendent.

RESIDENT RECEIVED CITATION OF DISTINGUISHED ATTAINMENT

Northeastern University's Boston-Bouve College awarded three "CITATIONS OF DISTINGUISHED ATTAINMENT" during the Alumnae Council meeting at the Sheraton Lexington Motor Inn on May 20.

This award was presented to Barbara Crowe of Mattapoisett "whose excellence in the fields of physical education and guidance have brought honor to Boston-Bouve College."

"As former member of the All American Field Hockey and Lacrosse teams, sailing and softball counselor at Bouve Camp for many years, Director of Guidance at Old Rochester and Apponequet, now retired, dedication as a volunteer in the Fish program, and president of PSI Chapter of Delta Kappa Gamma" were reasons for this honor.

Council on Aging

A change on last week's schedule (as printed in the ad in Presto Press) has had to be made. We have been unable to arrange for bus transportation for the Nantucket trip on Saturday, June 17, and have had to reschedule it for July 8 (Saturday). Please correct your printed schedule to show this change and a deadline for reservations of June 15. This is a big bus trip, and we have been able to obtain an unusual low price on our round-trip tickets, so please do not pass up this trip. We suggest carrying your lunch, as food is expensive on the island and you might not want to have to go back to the center and possibly stand in line for lunch.

We still have not filled the big bus for the Heritage Plantation on Thursday, June 1st, and this trip is now open to Seniors

Parent Teachers

MATTAPOISETT

Under the able leadership of Kathy Riley and her officers, the P.T.C. has completed another successful year. Two hundred and fifty dollars was donated to the Dr. Kunces Memorial Scholarship Fund. The P.T.C. also donated $400. to each school for the purpose of each grade selecting equipment and supplies. Another accomplishment is a P.T.C. sponsored tea for the three retiring teachers. This is still in the planning stages. More information will be available at a later date.

In order to assure continued success, the P.T.C. needs people who are willing to work. There are several openings in the capacity of officers and standing committees. If anyone is interested you may contact

Delta Kappa Gamma

PSI Chapter of Delta Kappa Gamma Society International held its annual meeting and induction of new officers at the Center Methodist Church in Fairhaven on May first.

The Chapter was honored to have Miss Joan Park of New Bedford, the Massachusetts president of the society, as guest. She assisted the members in the celebration of the nineteenth birthday.

Amid beautiful spring flowers, a catered dinner was enjoyed. The committee responsible included Mrs. Doreen Nelsen, Mattapoisett; Grace Willoughby, Fairhaven; and Mary Ribeiro, New Bedford.

During the business meeting, a discussion was held of the forthcoming Second Annual Yard Sale to be held on Saturday, June 10 (rain date, June 11) from 9 A.M. to 3 P.M. at 645 Reed Road, North Dartmouth. The Chapter hopes to earn expenses for representation at the 50th Birthday Celebration and International Convention to be held in Austin, Texas.

The evening was concluded with the Induction Ceremony conducted by the retiring officers: Barbara Crowe, Mattapoisett, president; Bette Ann Tripp, New Bedford, first vice president; Edna Zola, New Bedford, second vice president; Judith Hierholcer, New Bedford, recording secretary; and Mrs. Rose A. Pierce, Westport, corresponding secretary.

Officers inducted for 1978-1980 were: Miss Tripp, president; Mrs. Mary Ellen Seeley, Westport, first vice president; Mrs. Evelyn Pursley, Mattapoisett, second vice president; Barbara Mello, Acushnet, recording secretary; and Mrs. Jeanne Yehle, New Bedford, corresponding secretary. Mrs. Minerva Russell, South Dartmouth, was appointed the parliamentarian, and Alberta Silveira, Mattapoisett, was re-appointed chapter treasurer.

SATURDAY FIELD WALK - JUNE 3

The Museum Outdoor's free Saturday morning field walk will be a general discussion on Ecology. Open to all age levels, young and old. Discover how everything in nature is interrelated, how everything interacts and needs each other. Time: 10:00 A.M.

SATURDAY PROGRAM - JUNE 3

If you live in Dartmouth or Westport, you may see a very large unusual bird this summer, living near the marshes and waterways of the area. The bird is called the Osprey, and the first Saturday program at the Children's Museum for the month of June will be all about the Osprey. Mr. and Mrs. Gil Fernandes of Westport have studied this fascinating, local bird and will present their findings to the children. The program begins at 2:00 P.M. in Russells Mills. Children 5 and up preferred. A small admission is charged.

Little League Baseball

The game results called in for the 4th week of Mattapoisett Little League are as follows:

On Saturday, the 20th, the Wanderers defeated the Browns 8-1 with Danny Lee the winning pitcher. Danny gave up only 3 hits while striking out 11 Browns. Chris Parker, Tim Quinlan, Sean McCabe, Greg Kelsey and Danny Lee were the Wanderers' hitting stars. Drew Frazee pitched for the Browns.

Also on Saturday the Jets' fine team effort gave them a 12-0 victory over the Greens. Spencer Blasdale led the game with a 3-hitter, striking out 12 and walking only two. Brendan MacDonald, David Andrews and Pete Faria each had 1 hit. Fine defensive plays were displayed by the Jets and Scott Jepson and Mike Harris had 4 hits each.

On Monday the Greens took a 13-1 victory over the Reds. David Andrews pitched a real good game striking out 13 batters and giving up only 2 hits. The hitters for the Greens

AVOID POISON AT THE PICNIC

Mayonnaise, salad dressing, egg sauces and custards need to be kept cold until just before eating. They are excellent culture mediums in which microbes can multiply and produce intestinal poisons known as enterotoxins.

NSF scientists offer these suggestions:

1. Do not let foods containing moisture or fat stand around for long periods of time in a warm kitchen.
2. Sandwiches, salads and desserts intended for picnics or other away-from-home consumption should be stored in a refrigerator until just before leaving. The same rule applies to meats that are to be cooked at a picnic.
3. Carry picnic meals in a portable food chest which contains ice or frozen freezer cans.
4. When possible, store brown bag lunches in a refrigerator at school or work until just before lunch.
5. Never eat food from a bulging can or a food container that squirts upon opening. The contents may contain C. botulinum, the cause of botulism, and deadliest of all food poisons.
6. Observe this rule about suspicious foods: "When in doubt, throw it out."

SMU THEATRE COMPANY SUMMER SEASON

Subscription tickets are now available for the fourth summer season of the Southeastern Massachusetts University Theatre Company. Under the direction of Angus Bailey, it will start the summer with Hecht and MacArthur's satirical masterpiece, The Front Page. Generally regarded as one of the great American comedies, The Front Page has been successful from its first performance in the 20's until its revival three years ago by Britain's National Theatre. The Front Page will be presented on June 15, 16, 17 and 18 at 8 P.M. in the SMU auditorium.

The second presentation of the summer season will be the cabaret musical, Rodgers and Hart: A Musical Celebration, as presented on Broadway and on the West Coast. "Rodgers and Hart" is similar in type to the SMU cabaret productions in other summers such as Oh, Coward and the Cole Porter review. Curtain goes up at 8 P.M. on July 27, 28, 29 and 30 in the campus center.

The final production of the season will be Robert Bolt's world famous drama, A Man For All Seasons, which will be presented in the amphitheatre, as Cyrano was a year ago. A

REGIONAL EDUCATION/ARTS PROJECT

Old Rochester Regional High School will receive a CETA grant to establish an education/arts project in the towns of Mattapoisett, Marion and Rochester. The grant award was announced by the New Bedford Consortium, the agency which oversees the area's Comprehensive Employment and Training Act programs.

The project, which started May 30, is scheduled to last six months. It will put eighteen unemployed musicians and other artists to work, creating educational and

WINDOW BOX GARDENS

If you don't have a backyard to use as a garden, or if you just want an extra challenge added on to your green-thumb duties, why not try window-box gardening? Here are some tips from experts on how to get started in this ever-more-popular pastime—and how to avoid problems en route

- First, provide appropriate boxes with holes in the bottom for drainage. Put in two or three inches of cinders or broken brick and fill with rich, porous soil. Regular attention to watering is of prime importance.
- Your window box should fit the window space, but if the length is excessive, make it in two sections. For good results, the box should be not less than 8 inches deep and 10 inches wide. Bore 1/2-inch holes 6 inches apart in bottom for drainage.
- The best soil for window boxes is one that is rich and with plenty of humus to retain moisture. Use two parts loam, one part peat moss, with a five-inch pot of super-phosphate mixed with each bushel.
- Among the most satisfactory flowers that grow in window boxes are begonias, geraniums, fuchsias, ageratum, petunias, dwarf marigolds, pansies, morning glory and sweet alyssum.
